Pegasus Thrusters Make a Splash Across the U.S. & UK at Five Top Trade Shows!

The Pegasus Dive Team spent the past few weeks crossing the globe to participate in five of the biggest dive shows! Starting with 'Our World Underwater' in Chicago, South Beach for the 'Miami International Boat Show' and then to the Big Easy for 'Underwater Intervention.' We then crossed the pond for ExCel London and back to New Jersey for 'Beneath the Sea.' Select special Show Prices still available for a few more days!

ABC Miami News Features Pegasus with beADiver.com's 'Big Wave Dave'

We're excited to welcome our latest commercial divers from the Florida Department of Environmental Protection. We're confident they will find their purchase of multiple commercial packs invaluable as they survey the endangered reefs that inhabit thousands of acres of sea floor along both coasts of Florida.
